Independent Auditor's Review Report

To
The Board of Directors
Noida Toll Bridge Company Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ("Statement") of Noida Toll Bridge Company Limited ("the Company") for the quarter ended on December 31, 2018 and year to date results for the nine months period April 1, 2018 to December 31, 2018, being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to issue a report on the statements based on our review.
3. We conducted our review of the Statement in accordance with the Standards on Review Engagement (SRE) 2410, "Review of Interim Financial Information by Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review as conducted above, nothing has come to our attention that causes us to believe that the accompanying Statement, has not been prepared in , all material respects in accordance with Indian Accounting Standards (Ind AS), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI circular CIR/CFD/FAC/62/2016 dated 5th July 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to the following :

- (a) Note no. 3 to the Unaudited Financial Results in which, pending the outcome of the Company's appeal before the Hon'ble Supreme Court against the order of the Hon'ble High Court of Allahabad stalling the levy and collection of toll fee, based on a legal opinion, the Board has placed reliance on the provisions of the Concession Agreement relating to compensation and other recourses and taken a stand that the underlying value of the intangible and other assets is not impaired.
- (b) Note No 4 to the Unaudited Financial Results, which relates to demands aggregating Rs. 10,893.30 crores, raised on the Company by the Income Tax Department, for the Assessment Years 2006-2007 to 2014-2015, received in July, 2018, against which the Company has filed a stay petition before the Income Tax Appellate Tribunal on August 1, 2018, which is yet to be granted. Further, in December 2018, Income Tax Department has also imposed penalty amounting to Rs. 10,893.30 crores for the above stated Assessment Years against which the Company has filed a stay petition before the Income Tax Appellate Tribunal on January 11, 2019. The Management of the Company is of the view that both demands are devoid of any justification or merit and that the Company is confident of getting a favourable decision. Consequently, the Company has not made any provision in its standalone financial statements.

Our opinion is not modified in respect of the above matters.

6. The comparative Ind AS financial information of the Company for the period ended June 30, 2017 included in these standalone Ind AS financial results were reviewed by the predecessor auditor, who expressed an unmodified conclusion on those financial information on August 9, 2017.

Notes:

- The above results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors at a meeting held on February 11, 2019.
- The Company has with effect from April 1, 2018, adopted IND AS 115 "Revenue from Contracts with Customers" by opting for the cumulative catch-up method, which is applicable for all contracts that were not completed as on April 1, 2018. Consequently, the comparative have not been retrospectively adjusted. The effect of the adoption of Ind AS-115 was not material on the financial statements.
- The Hon'ble High Court of Allahabad had, vide its Judgement dated October 26, 2016, on a Public Interest Litigation, filed in 2012 (challenging the validity of the Concession Agreement and seeking the Concession Agreement to be quashed) has directed the Company to stop collecting the user fee holding the two specific provisions relating to levy and collection of fee to be inoperative but refused to quash the Concession Agreement. Consequently, collection of user fee from the users of the NOIDA bridge has been suspended from October 26, 2016, pursuant to which an appeal has been filed before the Hon'ble Supreme Court of India, seeking an Interim Stay on the said Judgment.
On November 11, 2016, the Hon'ble Supreme Court issued its Interim Order and, though denying the interim stay, sought assistance of CAG to verify whether the Total Cost of the Project in terms of the Concession Agreement had been recovered or not by the Company. The CAG has submitted its report to the Hon'ble Supreme Court. At the last hearing on September 14, 2018, the Hon'ble Supreme Court bench has directed that the Report submitted by CAG be kept in a sealed cover and that the case be listed for hearing in due course.

The Company has also notified NOIDA that the Judgement of the Hon'ble Allahabad High Court, read with the Interim Order of the Hon'ble Supreme Court of India constitute a 'change in law' under the Concession Agreement and submitted a detailed proposal for modification of the Concession Agreement, so as to place it in substantially the same legal, commercial and economic position as it was prior to the said Change in Law. Since NOIDA did not act on the proposal, the Company had sent a notice of arbitration to NOIDA.

The Arbitral Tribunal has been constituted and both the Company and NOIDA have submitted their claims and counter claims. Further, NOIDA had filed an application under Section 16 on the maintainability of the arbitration proceedings which was rejected by the Arbitral Tribunal vide order dated August 10, 2018.

NOIDA has also filed an application for directions before the Hon'ble Supreme Court seeking a stay on arbitral proceedings but the matter is not yet listed for hearing.

- 6 On September 28, 2018 a writ of demand was served by NOIDA on the Company for an amount of Rs 3.69 Crores in relation to revenue from advertising on Noida side of DND Flyway. The Company has requested NOIDA to keep the writ of demand in abeyance since the matter has been referred to Arbitration by NOIDA and further no action can be taken against the Company due to the moratorium granted in view of NCLAT order dated October 15, 2018.
