ADVERTORIAL

# JEWAR AIRPORT TAKES OFF ✈️ AS UTTAR PRADESH'S FDI ENGINE

🔥 The Noida International Airport will represent Uttar Pradesh's growing strength and aspirations. It should stand as a benchmark for quality, efficiency and coordination.

— Yogi Adityanath,  
Chief Minister, Uttar Pradesh

🔥 The airport will boost exports of Uttar Pradesh and bring thousands of jobs for the youth of the state. Improved air connectivity will also boost the tourism sector of the state.

— Narendra Modi,  
Prime Minister

Jewar Airport is emerging as a transformative economic catalyst for Uttar Pradesh and NCR, unlocking unparalleled global connectivity, a world-class aviation ecosystem and a high-efficiency cargo and logistics hub. Its strategic location along major expressways strengthens export competitiveness, attracts manufacturing and FDI, and accelerates growth across electronics, EVs, aerospace, tourism, and agri-exports. With strong job creation, modern infrastructure, and multi-modal access, it positions Noida - Greater Noida - YEIDA as India's next major global investment destination.

Jewar Airport Runway

Intercity, long-haul and direct buses from major centres & neighbouring states

RTS link from Ghaziabad

Airport taxis and cab aggregators

High-speed rail link between Delhi and Varanasi with a stop at the airport

## ABOUT THE UPCOMING AIRPORT

**1,334 acres**  
under phase one

**₹4,096 crore**  
under phase one

**2021**  
the year on the site started

CONCESSIONAIRE: Yamuna International Airport Private Limited (YIAPL), a 100% subsidiary of Zurich Airport International AG

## CONNECTIVITY & STRATEGIC LOCATION

- Provides world-class international and domestic connectivity to Noida, Greater Noida, Delhi-NCR, and Western UP.
- Well-linked with Yamuna Expressway, Eastern Peripheral Expressway, DND Flyway, and upcoming Rapid Rail (RTS) & Metro.
- Reduces travel pressure on IGI Airport, creating a dual-airport system for NCR.
- Enhances regional accessibility for business travellers, tourists, exporters, and industries.

## AVIATION ECOSYSTEM DEVELOPMENT

- Strengthens India's position as a South Asia aviation hub.
- Reduces dependence on foreign MRO services, saving operational cost for airlines.
- Potential hub for aviation training, flight schools, and aircraft component manufacturing.
- Creates opportunities for MRO (Maintenance, Repair & Overhaul) facilities.

## LOGISTICS & CARGO ADVANTAGES

- Designed as a major cargo hub with dedicated terminals.
- Enables fast movement of high-value and perishable goods (electronics, pharma, food products).
- Reduces transit time and logistics cost for exporters/importers.
- Ideal for global supply-chain companies due to integrated multi-modal connectivity.
- Creates a strong ecosystem for warehouse clusters, cold-chain facilities, and freight corridors.

## INDUSTRIAL & ECONOMIC GROWTH

- Generates large-scale employment across aviation, logistics, manufacturing, and services sectors.
- Catalyses growth of manufacturing clusters, including electronics, EVs, aerospace, textiles, and agri-processing.
- Supports development of the proposed Semiconductor Park and Industrial Parks along Yamuna Expressway.
- Increases attractiveness for foreign and domestic industrial investments.

Inside view of Jewar Airport

## HIGHLIGHTS

- Strategic location between NCR & UP industrial belt
- Sits at the intersection of expressways (Yamuna, Eastern Peripheral, Delhi-Mumbai E-way link), enabling seamless movement of goods.
- Strong advantage for foreign companies setting up warehousing, 3PL, cold-chain logistics, and regional distribution centers.
- Major push for manufacturing FDI
- Close proximity to Noida, Greater Noida, and Yamuna Expressway Industrial Development Authority (YEIDA) industrial clusters.
- Global manufacturing brands in electronics, semiconductors, textiles, medical devices, and autos can cut export logistics costs by 20-30%.
- Supports FDI inflows into E-mobility, Defence, Electronics Manufacturing and Toy & Apparel parks.
- Rising demand from global companies already entering NCR.

Waiting Area of Jewar Airport

## RAPID AVIATION GROWTH

- UP expanded from 4 airports with scheduled flights in 2017 to 24 airports today.
- 16 airports operational, 7 under construction and Jewar Airport ready for launch.
- With Jewar's opening, UP will be the only Indian state with five international airports (Lucknow, Varanasi, Kushinagar, Ayodhya, Jewar).

## TOURISM & HOSPITALITY UPLIFTMENT

- Enhances tourist access to major destinations – Agra, Mathura, Vrindavan, Ayodhya, Delhi NCR.
- Opens doors for global tourism companies, hotel chains, and MICE (Meetings, Incentives, Conferences & Exhibitions).
- Expected to bring significant growth in hospitality revenue and tourism infrastructure.
- Acts as a gateway for international travellers visiting Uttar Pradesh's cultural circuits.

## EMPLOYMENT & SKILL DEVELOPMENT

- Creates thousands of direct jobs in airport operations, airlines, ground handling & hospitality.
- Encourages establishment of aviation and technical training institutes.
- Indirectly supports lakhs of jobs in logistics, real estate, manufacturing, and trade.
- Boosts income levels and economic prosperity in the region.

## AGRICULTURE & PERISHABLE EXPORT BOOST

- Cold-cargo capacity supports export of fruits, vegetables, dairy, floriculture, and processed foods.
- Provides farmers and agri-processors quick access to international markets.
- Enhances income opportunities in rural areas of Western UP.
- Encourages global agribusiness investment in packhouses and processing units.

## Overall Economic Impact

- Transformative infrastructure project expected to become a major economic growth engine for NCR & UP.
- Enhances India's competitiveness in exports, aviation, tourism, and industry.
- Strengthens UP's vision of becoming a USD 1 Trillion economy.
- Positions Noida-Greater Noida-YEIDA as the next global investment hub.

## CONNECTIVITY & STRATEGIC LOCATION

- Provides world-class international and domestic connectivity to Noida, Greater Noida, Delhi-NCR, and Western UP.
- Reduces travel pressure on IGI Airport, creating a dual-airport system for NCR.
- Well-linked with Yamuna Expressway, Eastern Peripheral Expressway, DND Flyway, and upcoming Rapid Rail (RRTS) & Metro.
- Enhances regional accessibility for business travellers, tourists, exporters, and industries.
