NTBCL's Revenue Surge: A 38% Leap

Noida Toll Bridge Company Limited (NTBCL) reported a 5.17% decline in net profit for Q4 2026, with a consolidated profit of Rs 3.85 crore. However, revenue for FY26 saw a 38.09% increase, standing at Rs 58.84 crore due to exceptional income. The company also evaluated DND Flyway's maintenance needs.

Noida Toll Bridge Company Limited (NTBCL) experienced a 5.17% decrease in consolidated net profit for the fourth quarter of 2026, recording Rs 3.85 crore against the previous year's Rs 4.06 crore.

Despite this decline, NTBCL's annual revenue for fiscal year 2026 demonstrated a significant 38.09% increase, reaching Rs 58.84 crore due to one-time exceptional income, as stated by the company.

Alongside revenue reports, NTBCL has undertaken a technical assessment of the DND Flyway, aiming to ensure its long-term sustainability as a vital urban connection between Delhi and Noida.
