4. DIFFICULTIES FACED BY THE COMPANY

4.1 The Company has constructed the Noida Toll Bridge at a total cost of Rs. 408 crores with debt financing to the extent of approximately Rs. 286 crore and equity financing to the extent of Rs. 122 crore. The debt was raised in 1998 at an average cost of approximately 16% per annum. The project was commissioned on February 7, 2001. Since then the actual traffic and revenue has been much lower than projected figures as can be seen from the table below : -

Year		2001-02		2002-03 -		2003-04 -	
Particulars	*	Projected	Actual	Projected	Actual	Projected	Actual
Traffic	Vchicles/day			103,836	and the second se	110,274	47,547
Income	Rs. Crore	46.66	11.81	64.7	18.73	75.9	25.7
Net Profit	Rs. Crore	(2.66)	(45.6)	7.54	(28.6)	21.21	(20)

4.2 Most of the Company's expenses are fixed in nature viz, interest, depreciation and maintenance. The reduction in traffic did not bring about any significant reduction in expenses and the Company had an accumulated net loss of Rs. 79.16 erores as on March 31, 2003 which is estimated to have gone up to Rs 99 erores as on 31" March, 2004 and hence the Company is unable to sustain a high interest burden. Due to lower than projected traffic and revenue and high interest burden, the Company is continuously incurring heavy losses. In view of the mounting losses, the Company is facing pressure to service its debts and therefore it is in the interest of the Company, its project, its employees, public at large and the various stake holders, that the Scheme for re-schedulement of terms and conditions of the Secured Creditors is worked out.

(hereinafter referred to as the Transferee Company) (Outside the jurisdiction of this Court), upon reading the said petition, the order dt. 3/11/2006 whereby the requirement of convening and holding the meetings of the equity shareholders and unsecured creditors of the Transferor Company was dispensed with for the purpose of considering, and if thought fit, approving, with or without modification, the Scheme of amalgamation; annexed to the affidavit of Sh. Ajai Mathur, authorized signatory of the Transferor Company filed on the 30th day of October, 2006 and the publication in the newspapers namely (1) Financial Express (English) and (2) Jansatta (Hindi) both dt. 18/12/2006 each containing the advertisement of the said petition and upon hearing Sh. H. S. Chandhoke, Advocate and Ms. Kamal Preet Sahni, Advocate for the petitioner, Ms. Mahisha Tyagi, Advocate for the Official Liquidator and Mr. R. D. Kashyap, Dy. Registrar of Companies in person and upon reading the affidavit dated 19/2/2007 of Sh. Rakesh Chandra, Regional Director, Northern-Region, Ministry of Company Affairs, Noida on behalf of Central Government stating that the in the Memorandum of Association of the Transferor Company

Examinat Indicial Diff. High Court of Dalb

there is no enabling clause of amalgamation to amalgamate with other companies. It has been further contended that the scheme of amalgamation is not in conformity with the provisions of the Companies Act, 1956 as well as the accounting principles as the surplus arising out of the scheme of amalgamation i.e. 'amalgamation reserve' is of capital nature and cannot be considered as general reserve because the same is free for distribution to the shareholders of the company in the form of dividend/bonus shares whereas 'amalgamation reserve' cannot be utilized for distribution to the shareholders-The objections raised by the Regional Director have been opposed by the Transferor Company and an affidavit has been filed in reply-to the objections taken on behalf of the Regional Director. It has been contended on behalf of the petitioners that even if there is no express power in the Memorandum of Association of a company to amalgamate with the other company then also by virtue of Section 391 of the Companies Act, 1956 the Court can sanction the scheme of amalgamation. It has been further contended that as a matter of abundant caution the Transferor Company has altered its Memorandum of Association and has included within its objects clause the power to amalgamate. The resolution passed in an Extra Ordinary General Meeting held on 20/2/2007 resolving to amend the objective clause 7 of the Memorandum of Association to include in its object clause the power to amalgamate has been filed by the petitioner. Regarding the treatment of 'amalgamation reserve' as general reserve the petitioner has further contended that as per the audited accounts of the petitioner company for the period 2005-06 and upto the period of 30th June, 2006 the Transferor Company does not have general reserves which could be transferred to the Transferee Company on amalgamation, therefore, there is no question of treating them as free reserve or general reserve and that the said accounting treatment has been mentioned in the scheme by way of abundant caution. It has been also contended that the amalgamation is in the nature of merger as per the Accounting Standard (AS) 14 and the scheme of amalgamation fulfills all the criteria to be a merger and amalgamation reserve to be free reserve. An affidavit has been filed on behalf of the Transferor Company deposing that in terms of paras 6, 7 and 8 of the scheme all the assets and liabilities of the Transferor Company will become the assets and liabilities of the Transferee Company. It has also been shown that since the Transferor Company is wholly owned subsidiary of the Transferee Company, the share capital of the Transferor Company to the extent held by the Transferee Company shall be cancelled automatically and the investments appearing in the books of accounts of the Transferee Company shall stands extinguished and, therefore, the requirement of shareholding of not less than 90% of the face

value of the equity shares of the Transferor Company becoming equity shareholding of the Transferee Company by virtue of amalgamation will not be applicable. On the same reasoning, it has been contended that the third condition of AS (14) that the consideration of amalgamation shall be paid by the Transferee Company by issue of equity shares only and not by cash, will also be not applicable. It has further been contended that the business of the Transferor Company shall be carried on by the Transferee Company after amalgamation which is apparent from para 6 of the scheme and no adjustments is to be made in satisfaction of fifth condition of AS (14). The Company Court has held that considering the relevant paras of scheme of amalgamation, it is apparent that all the conditions to treat the amalgamation as merger as contemplated under AS (14) stands fulfilled and consequently 'amalgamation reserve' will be 'free reserve' if any. The objection of the Regional Director is not sustainable and is rejected; and considering the affidavit of Sh. A. K. Chaturvedi, Official Liquidator filed on 2/2/2007 stating therein that the affairs of the Transferor Company have not been conducted in a manner prejudicial to the interest of its shareholders or creditors or to public interest; and there being no investigation proceedings pending in relation to the petitioner companies under Section 235 to 251 of the Companies Act, 1956. The scheme of amalgamation in respect of the Transferee Company has been sanctioned by High Court of Allahabad vide order dt. 26/2/2007.

CERTIFIED TRUE COPY OF THE EXPLANATORY STATEMENT CIRCULATED WITH THE SPECIAL RESOLUTION PASSED BY THE SHAREHOLDERS OF NOIDA TOLL BRIDGE COMPANY LIMITED ON WEDNESDAY, JANUARY 11, 2017, THROUGH POSTAL BALLOT

Explanatory Statement - Annexed to the Notice dated November 30, 2016

The Registered Office of the Company is located at The Toll Plaza, DND Flyway, Noida. The Registered Office is proposed to be shifted to; 2nd Floor, Niryat Bhawan, Rao Tula Ram Marg, Opp. Army Hospital Research & Referral, New Delhi-110057, where the IL&FS Group has other Offices.

Further, the Company has received an opinion from its external legal counsel that it is in the interests of the Company that its Registered Office is situated in NCT of Delhi rather than Uttar Pradesh.

In light of the reasons given above and in order to carry out the Company's business more economically and efficiently and considering the location of the Group corporate office, it would be more appropriate to shift the Company's Registered Office from the State of Uttar Pradesh to Delhi. This will facilitate better co-ordination, administration and growth plans of the Company, in future as well as be convenient for shareholders to attend the Annual General Meeting, considering that the highest concentration of shareholders is in Delhi.

In terms of Sections 13, 110 and other applicable provisions of the Companies Act, 2013 and rules made thereunder, shifting of a Registered Office from one state to another and alteration in Clause II of the Memorandum of Association requires approval from the Shareholder by way of a Special Resolution through Postal Ballot. Accordingly, your Board recommends this Special Resolution to the Members for their Consideration and approval by way of Postal Ballot.

A copy of the Memorandum as on date and a copy indicating the proposed amendments is available for inspection at the Registered Office of the Company on any working day during office hours from 9 A.M. to 5:30 P.M.
